

**SIZES
&
FITTING**

Seat cover sizing has changed over the years and the fact that there has been an explosion in available fabrics and designs has meant that manufacturers have been forced to make more versatile fitting covers to maximise the range. This means that 90% of cars are now fit by one of 2 bucket seats and a universal fit rear seat now fits most cars (see below).

CAR SEAT COVER FITTING GUIDE

SIZE 60
HIGH BACK BUCKET STYLE
THIS COVER FITS MOST SEATS
& COVERS THE HEAD RESTS

HEAD REST
COVERS
INCLUDED

SIZE 30
REGULAR BUCKET STYLE
THIS COVER FITS MOST SEATS &
ALLOWS FULL USE OF HEAD RESTS
